[April Meeting](#) –Dinner and Plant Tour of Knauf Insulation

Date: Wednesday, April 20, 2011

Schedule: 5:00 to 6:45 PM - Tour of Knauf Insulation followed by dinner at the local Italian restaurant; Panzerotti Restaurant.

Location: Knauf Insulation, 400 East Walker Street, Shelbyville, IN 46176, Tel: 317-398-4434. Local contact person: Charles F. Appley, Telephone; cell 317-401-1537 Work 317 398-4434 ext 8414. More information below after, [From the Chairman....](#)

Description: 4:45 PM - Arrive at Knauf Insulation, 5:00 to 6:45 PM Tour of Knauf Insulation - Charles Appley will have a short presentation on how their fiberglass plant process flows. 6:45 to 7:45 PM join us for a meal at a local Italian restaurant – cost to be covered by the chapter. We will return to Indianapolis 7:45 to 8:30 PM.

Dinner: Panzerotti Restaurant, 39 Public Sq, Shelbyville IN 46176 (formally Bonnie & Clyde's). The meal is sponsored by the Indianapolis Section of AIChE.

RSVP: Reservations are required. For members interested, we will have a carpool leaving the Indianapolis area at about 4:00 PM departing from the tunnel level sub-basement hallway entrance to the Indiana Government Center South Parking Garage at the northeast corner of West St. and Maryland St. in Indianapolis. To RSVP or coordinate ride arrangements, contact your chairman, Work 317 233-5190, Cell phone 317 695-5741, alan.schmidt@att.net aschmidt@idem.in.gov. Include name, company, e-mail, and telephone number.

Price: To encourage attendance, the meal cost for local AIChE section members will be covered by the local section.

From the Chairman ...

Through our member, Charles (Chuck) Appley, I have been able to arrange an AIChE plant tour of Knauf Insulation for Wednesday, April 20, 2011. See below for directions and details - reservations are required.

The Rose-Hulman University student chapter President, Mitchell P. Ishmael, is currently arranging a tour of Digital Audio Disc Corporation (DADC) in Terre Haute for possibly the evening of Wednesday, April 27 that we are welcome to join. If you are interested in joining the DADC tour check with your chairman for updated information.

There will be a May dinner meeting to elect Indianapolis Section of AIChE officers for June 2011/2012. Potential candidates for Chairman and Vice-Chairman may contact your current Chairman on a preferred date or your current Chairman will pick a date and hope someone shows up. We need some volunteers to help continue activities of the chapter. Your current chairman will become past-chairman, which is an official officer position.

Dr. Alan Dale Schmidt, Chairman, Indianapolis Section of AIChE
alan.schmidt@att.net 317 233-5190 day work, 317 695-5741 cell phone

Knauf Insulation plant directions:

- 1) The plant is at 400 East Walker Street, Shelbyville, IN.
 - a. Exit I-74 at Shelbyville onto HWY 9.
 - b. Turn right and go past 3 lights (Over railroad and river bridge) to the south on HWY 9. You will see Knauf headquarters on your left as you drive south on HWY 9, don't turn into this entrance.
 - c. Turn left at the Liquor store onto John street. It takes a jog and becomes Walker Street.
 - d. You will see the plant on your left the entire way down Walker Street. Go to far end of the plant building (beside Village Pantry) and park in front of the plant entrance on street if there is room. If no room you will have to find a parking spot out in the parking lot with the employees and will have to walk down to the plant entrance. If you get to Vine Street you went too far.
 - e. A note on the attached map is that the streets by the plant named Noble St and Elizabeth St no longer exist as shown because we expanded the plant in some areas.
 - f. Call 317-401-1537 if you are having issues.

- 2) Concerning safety equipment: We are required to use ear plugs and safety glasses. No steel toed shoes required. Our host recommends that we request how many are coming in advance and he will make sure we have safety glasses and ear plugs available. You can bring your own also if you wish.

There will be a fair bit of walking and stairs to go up. If you are careful you can stay clean but the plant also isn't the cleanest so more casual clothing may be advisable.

Meeting Activities for Indianapolis 2010 - 2011

Date	Activity
April 20, 2011	Plant tour of Knauf Insulation / Dinner
May 2011	Dinner Meeting – Election of Officers
June 2011	TBD

Welcome to AIChE

The global professional community for over 40,000 chemical engineers in 93 countries. AIChE provides members with technical resources as well as tools to manage their careers and lives.
